

Natural Charm and Comfort in Can Solà Gros

Discover this cozy home in Caldes de Malavella, perfect for those seeking tranquility, nature, and quality of life just a step away from Girona.

In the Can Solà Gros urbanization of Caldes de Malavella, this fantastic detached single-family home is located on a quiet plot, ideal for those seeking comfort, spaciousness, and privacy in a natural setting. The house has a total built area of 238.15 m² and an interior usable area of 165 m², distributed over two floors plus an independent garage.

On the ground floor, there is a spacious living-dining room with direct access to the garden, an independent kitchen, a practical pantry, two double bedrooms, a full bathroom, and a hallway, as well as two exterior porches that complement this floor with covered areas perfect for enjoying the outdoors.

On the first floor, the night area consists of a single bedroom, a double bedroom, a suite with a private bathroom, a hallway, and a corridor, in addition to a porch that leads to a large open terrace with unobstructed views. The garage, attached to the house, has a usable area of 21.46 m² and a built area of 24.10 m², providing space for parking and storage.

The entire land surrounding the house is landscaped, designated as a private garden, perfect for enjoying the outside, installing a pool, or creating a chill-out area. This property offers an ideal combination of comfort, functional distribution, and location in an established residential area, just a few minutes from main services, golf courses, and natural routes.

Ideal as a primary or secondary residence, this house is ready to move in.

Taxes and expenses not included in the price.
