

Building for sale in Anglès with great investment potential.

A building is offered for sale in Anglès with multiple development opportunities. The property features a spacious 250 m² garden, a two-storey house in need of rehabilitation, and a second-floor apartment currently habitable. Both the main house and the apartment include terraces, garage, and several rooms.

Ideal as a full renovation project or for demolition and construction of a multi-family residential building, in a location with high housing demand.

Anglès stands out for its privileged natural surroundings—rivers, trails, and unique landscapes—combined with proximity to all essential services: shops, schools, health centre, and a growing cultural and gastronomic offer. A unique opportunity for developers and investors looking to create housing in one of the areas with the highest growth potential in the province of Girona.
